### Vintage Revolution

Vintage Revolution is a student run Company within the British International School, Cairo. The concept is to reuse billboards and transform them into accessories, such as bags, pencil cases and IPod covers, their aim as a company is to create an innovative and practical product while saving the planet. For this reason, they have chosen to reuse billboards as they are made up of a mixture of plastics, which makes them unrecyclable.

## Lebanon

### 5<sup>th</sup> Wheel

The Saint Joseph School in Lebanon had the car market on their mind. 5<sup>th</sup> wheel produced a handmade car kit ( Carmate ) that has needed objects ( emergency numbers, basic first aid kit, pen, sticky notes...etc) inside it to make the car ride much simpler. 5<sup>th</sup> wheel had the environment on its mind as well. It offers a recyclable paper bag with every kit for trash.

## Palestine
